The New Sensation Singers

THE NEW SENSATION SINGERS, a group of Christian young people from Kannapolis, North Carolina, will sing at the Memorial United Methodist Church, Appomattox, on March 15 at 8:00 p.m. They will be presenting the folk musical **COME TOGETHER**, WHICH WAS WRITTEN BY Jimmy and Carol Owens. The musical presentations by The Singers include group singing, solo, duets, trios, and quartets. The Singers are accompanied by piano, guitar, and flute. The musicals are enhanced by the group's lighting and sound equipment. The name of the group refers to the wonderful "new sensation" which is experienced when one meets and accepts Jesus Christ as his Savior. From that moment on, life is never the same. The New Sensation Singers are eager to share their happiness with other people. The public is invited and urged to attend, and especially young people from all churches and from all sections of our area.

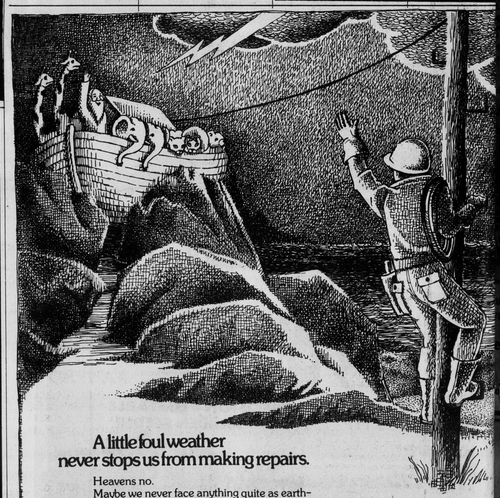
CONTINENTAL HOMES Division of Virginia



A little foul weather never stops us from making repairs.

Heavens no.

Maybe we never face anything quite as earth-shaking as Noah's flood, but we do have to deal with some pretty rotten weather.

And when the lines are down, we're on the scene. No matter what the situation. Making repairs as quickly as possible. Getting the job done.

But bad weather is not the only time we work. On the contrary, we're working day in, day out. To keep you in touch. After all, service is what you depend on us for.

That's why even when it's raining cats and dogs, we're there. Because, frankly, it takes more than bad weather to dampen our spirit.

Another classic way your phone company comes through with service.

HEART ASSOCIATIONS HELP TO TRAIN MEDICAL AND NURSING STAFF FOR THESE LIFE-SAVING UNITS...

Notice To The Public

NOTICE is hereby given to the public that the State Corporation Commission is investigating a proposal to increase the local coin rate for pay-station telephone service and a proposal to establish a schedule of charges for calls to Directory Assistance Service. The proposals are to increase the local coin rate for paystations from 10c to 20c and to charge 20c for calls to Directory Assistance Service in excess of three calls a month, except for calls from coin telephones, hospitals, hotels, motels, and from handicapped customers who are unable to use a telephone company directory. The proposed charges were first filed by The Chesapeake and Potomac Telephone Co. of Virginia, however, because of the interest in the proposals indicated by other telephone companies, and because of the statewide nature of these services, the Commission has expanded its investigation of such proposed charges to include all telephone companies operating in the State.

A public hearing on the proposed rate changes has been scheduled for 10:00 a.m., April 10, 1975, in the Commission's Courtroom, Blanton Building, Richmond, Virginia. Each telephone company has been directed to file with the Commission's Division of Public Utilities, on or before April 1, 1975, a written statement regarding the proposed rate changes including information regarding, among other things, the need for such changes, the cost of making the changes, and the additional annual revenue from such changes. The Division of Public Utilities will summarize and tabulate the information received from the companies and present a report at the time of hearing on April 10, 1975. The Commission will determine, after review of the Company's reports, what further investigation, if any, is needed, and schedule any additional procedural and hearing dates that may be required.

Any person who expects to submit evidence, cross examine witnesses, and participate in the hearing as a protestant as provided in Rule 4-6 of the Commission's Rules of Practice and Procedure shall file a Notice of Protest as provided by Rule 5.16 (e). Any interested person who desires to attend the hearing as an intervener, or general public witness (not as a protestant) need only appear in the Commission's Courtroom at 9:45 a.m. on April 10, 1975, complete a notice-of-appearance form to be provided by the Commission's Bailiff, and they will be given an opportunity to speak.

All written communications regarding this investigation shall be addressed to William C. Young, Clerk, State Corporation Commission, P. O. Box 1197, Richmond, Va. 23209 3-6-4t
